Woman Who Made Tin Faces

as a

Winner

Hear that? That's the sound of the train arriving at Winner's Landing! Congratulations, you've made it! You started out in the desolate territory of an empty page, and look how far you've come! Many aspire to reach Winner's Landing, but few will ever arrive to discover what new paths extend from this elusive platform. Now it's time to enjoy the destination, revel in the depth of your abilities, and look ahead to a glorious new horizon.
